## IPv6 Certification

Name: \_\_\_\_\_

Updated Badge Images! 2009-04-13 22:56:42

We've added static badge images as an option for people who would prefer a badge for their website that doesn't use Flash.

New Tests Added for Each Level! 2009-04-13 22:55:32

We've added a new series of technical tests for each level. They should show up on the left hand side in your additional tests box.

## NeWb!

Welcome to the IPv6 Knowledge Certifications. Our first step on the path to IPv6 certification is a simple one.

- Read the [IPv6 Primer](#).
- When you are ready complete [a quick set of questions](#)<---- Click here to start the test

That's it! Good LUCK!
